

Aztec, Maya, and Incan WebQuest

Goals of the Webquest

During this webquest you will complete the following tasks:

1. On the map provided, you will identify where the Incan, Maya, and Aztec empires were located.
2. You will create a timeline of the 3 civilizations noting the beginning and end of each civilization.
 - a. (this will be **ONE** timeline with all 3 civilizations on it, not 3 separate timelines).
3. You will answer the following questions in paragraph form:
 - a. Which of the 3 civilizations would you have wanted to live in? Give at least two reasons why.
 - b. Of the two civilizations you would not want to have lived in, give one reason for each why you would not have wanted to live in either of those.
 - c. This must be in paragraph form, so there should be two paragraphs, one on the civilization you want to live in and one on why you would not want to live in the other two.
4. You will also answer the questions pertaining to the religion, science, geography, decline, and culture of each civilization.

Timeline Help:

- Use the following sites to help develop your timeline. Remember, you will make ONE timeline that contains the start and end date for each civilization.
 - <http://library.thinkquest.org/C004980/english/timeline.htm>
 - <http://www.wsu.edu/~dee/CIVAMRCA/MAYAS.HTM> (look at the history part for dates)
 - <http://library.thinkquest.org/27981/time.html>

Use this space to create the civilization timeline.

*****DO NOT FORGET TO WRITE YOUR TWO PARAGRAPHS ABOUT THE CIVILIZATIONS.**

There should be two paragraphs, one discussing the civilization you would have wanted to live in and the other paragraph should state why you would not want to live in the other two. **YOU ARE NOT ALLOWED TO TELL ME "I wouldn't want to live in any of them because I don't like them, they aren't modern, or any other reason like that".**

Use this space to make notes on the civilizations and write or type your final paragraphs on a sheet of paper.
